

## *Statewide Community Service Project*

*We encourage every Montana FCCLA Chapter to become more involved this year with the Statewide Community Service Project! This year, the state officer team has chosen the Tumbleweed Runaway Program as the Statewide Community Service Project. Tumbleweed's mission and goals are all directed toward the prevention of homelessness, running away, and delinquency; addressing severe family conflict; as well as responding to other social problems among youth ages 10-18. This is a magnificent program and we hope you all raise money to support this state project. **All money is due by March 1<sup>st</sup> to your 2005-2006 District President.** This state officer will then send the raised money to: Connie Dempster, FCCLA Executive Secretary. We appreciate all of your support! Thank you!*
